I MADE THIS LITTLE HAND WARMER FOR YOU - JUST POP IT IN THE MICROWAVE FOR 15-20 SECONDS AND IT WILL KEEP YOUR HANDS TOASTY WARM!

HOW TO MAKE A HAND WARMER GIFT:

- 1- Using a simple shape as a pattern, cut two pieces out of fabric.
- 2- Place the right sides of fabric together & sew around the shape leaving a 1/4" edge. Leave a 1.5" unsewn opening.
- 3- Turn right side out.
- 4- Using a funnel, fill your hand warmer with uncooked rice.
- 5- Pin the opening so it looks good and stays closed.
- 6- Using a needle and thread, sew the opening shut.
- 7- Print this printable on white cardstock and cut apart the cards.
- 8- Place one card and a hand warmer in a clear bag or use the card as a tag and tie it around the hand warmer
- 9- Give away to someone who deserves warm hands!
